

**QUIETEST
LIGHTEST**

VAN INTERIOR SYSTEM

- End panels are contoured to fit closely to van walls, maximizing storage.
- Staggered shelf design utilizes over-head space efficiently.
- Steel used only where needed for strength.
- Shelves and end panels never dent or rust.
- Over 100 lbs. lighter than comparable, all-steel interiors.
- 175 lbs. capacity per shelf, impact resistant shelves.
- 3 years, 36,000 mile warranty.

4X8 Sheet Storage
